These are the lessons that will change a studentsâ€™ life immediately and for a lifetime. Youâ€™ve seen it before, the first day of class students arrive already bored, expecting the same old routine. Van Syckle & Tietje, Anybody's Business | Pearson - Well, the fact that Nobody's Business was only released in Japan probably didn't help them, so the 2007 reissue isn't simply the album's CD debut, it's the Western premiere as well, the full original album plus a three-song demo that they recorded later in the year, in the hope of interesting Atlantic Records. They failed, but that's no reflection on the strength of the songs. Nobody's Business - Nobody's Business | Songs, Reviews ... - Nobody's Business is the first book to treat the emergence of Flarf and Conceptual Poetry in a serious way. In his engaging account, Brian M. Reed argues that these movements must be understood in relation to the proliferation of digital communications technologies and their integration into the corporate workplace.
